## REQUEST FOR EXEMPTION FROM CHAPTER 103D, HRS MAY 25 P2:4

TO:	Chief Procurement Officer	OF PUBLIC V. CRASS STATE PRODUREMENT OF AMY 21. DOG STATE				
FROM:	Department of Accounting & General Services / Public Works Div	sion / Besign Branch STATE OF HARDS				
	Pursuant to § 103D-102(b)(4), HRS, and Chapter 3-120, HAR, the Department requests a procurement exemption to purchase the following:					
Descrip	otion of goods, services, or construction:					
Rent six (6) temporary classroom trailers for the duration of the construction replacement work of the classroom building that was destroyed by fire. This includes site work, utility connections (electricity, fire alarm, data, etc.), handicap accessibility and Building Permit processing.						
Name of Address	of Vendor: Hawaii Modular Space, Inc. s: 91-282 Kalaeloa Blvd Kapolei, HI 96707	Cost:   487,000 (estimated) 				
Term of	Contract: From: October 2004 To: August 2005	Prior Exemption Ref. No. (if applicable)   EP No 04-33-M   (1 <sup>st</sup> 4 trailers, out of 10 total)				
Explan	ation describing how procurement by competitive means is either not practica	ble or not advantageous to the State:				
Since other contractors do not have an Architect on staff, they are not able to readily secure a building permit. Trailers should meet Building Codes (DCAB, Fire Codes, Wind loads, etc.) for the safety of the students and faculty. Normally it would take up to a year to design and construct a trailer. However, due to the short time frame of the needed trailer requirement, and by Hawaii Modular Space, Inc. having an Architect on staff already, they should be able to design/build trailer in 5 months.						
Details practic	of the process or procedure to be followed in selecting the vendor to ensure rable:	naximum fair and open competition as				
	dular Services and Containers Storage Co., of Hawaii was contacted and they g Permits.	stated that they were not able to secure				
,
